

A new approach to mobile and fixed network cost management

Xigo is a cloud-based solution that simplifies management of enterprise telecommunications costs. Xigo's flexible platform meets the needs of all types of businesses, from small companies with as few as five devices to large multinational organizations with fixed, mobile and global cost management needs. The Xigo family of products includes:

xigo | now

Free, comprehensive self-service mobility expense management

xigo | pro

Time-saving automation and richer reporting in a self-service solution

xigo | enterprise

A full-service, expertly-deployed solution

100% of the features most companies need. And it's free.

Xigo Now is the only free self-serve mobile cost management tool. It's incredibly simple to use. It offers many ways to save. It gives you instant results. And, of course, it is free.

Xigo Now is simple to use.

Just upload your carrier invoices, receive a detailed and specific savings report and start saving.

The screenshot shows an 'ACTION REPORT' for Verizon Wireless. It lists four suggestions with their respective estimated savings:

Mobile Number	Suggestion	Estimated Savings
(555) 212 - 1589	Change to a mobile broadband 5GB data plan Lorem ipsum dolor sit amet, consectetur adipiscing. Suspendisse tempus ipsum id urna aliquet tempor. Nulla facilisi. Curabitur consequat, orci a consectetur rutrum, lacus neque tempor risus, sit ndimentum diam sapien sit amet purus. Maecenas eteifend. congue dictum.	\$524.25
(555) 212 - 5486	Increase pooling plan minutes Lorem ipsum dolor sit amet, consectetur adipiscing. Suspendisse tempus ipsum id urna aliquet tempor. Nulla facilisi. Curabitur consequat, orci a consectetur rutrum, lacus neque tempor risus, sit ndimentum diam sapien sit amet purus. Maecenas eteifend. congue dictum.	\$5474.08
(555) 212 - 2135	Ask for discounts to be applied to data Lorem ipsum dolor sit amet, consectetur adipiscing. Suspendisse tempus ipsum id urna aliquet tempor. Nulla facilisi. Curabitur consequat, orci a consectetur rutrum, lacus neque tempor risus, sit ndimentum diam sapien sit amet purus. Maecenas eteifend. congue dictum.	\$215.93
(555) 212 - 7542	Remove messaging plan, no usage Lorem ipsum dolor sit amet, consectetur adipiscing. Suspendisse tempus ipsum id urna aliquet tempor. Nulla facilisi. Curabitur consequat, orci a consectetur rutrum, lacus neque tempor risus, sit ndimentum diam sapien sit amet purus. Maecenas eteifend. congue dictum.	\$108.13
